The response to our booth was much better than I expected. The hours worked out fine and the traffic was good both days. We sold more safes than I thought we would and I had only a couple to take back to the store.

The US Army has participated in the Big Boys Toys Show for the past 2 years. The event was a great success for us, we were able to promote the US Army to the public, and also were able to talk with several individuals that were interested in serving in the Army.
Dion Popper, SFC USAREC, St. Cloud

This is the only 'show' or 'expo' type event we participate in and believe Big Boys Toys Expo is good exposure for our business. The attendance flow is really good and we meet and talk to as many people as possible both days. We look forward to a bigger Expo in '08.
Steven Schiller, Schiller Insurance Agency

Big Boys Toys Expo was great for us. As a new business in town we got to introduce ourselves to a lot of potential customers...and it worked. They came to our store and gave us a chance to impress them! We'll return in '08.
Jim Malone, GM, Hwy 10 Tire & Auto

This is a show that we continue to participate in because we enjoy the diverse audience that attends the Big Boys Toys event. The show gives us the opportunity to visit with many customers we potentially would not have the opportunity meet with. An awesome opportunity to display some of our product line and sell our merchandise!
